Counter Trafficking in Persons Assistance

Project Title	Counter Trafficking in Persons Assistance
Project Silmman	Assist USAID's C-TIP team with requests from the field and interagency, events, outreach, data analysis, data visualization, and other tasks as needed.
Country	United States

Project Description

USAID's C-TIP team sits on the DRG Center's Human Rights Division, and is the Agency's focal point for all C-TIP related activities. The C-TIP team spends a lot of time representing USAID with the interagency and but also responding to USAID's missions in the field who carry out the bulk of C-TIP programming.

The team is in need of assistance on a range of activities to include some of the below:

C-TIP research (e.g., program indicators, country conditions, human rights landscape)

Data entry and analysis

Reports and human impact stories for USAID blogs, newsletters and website

Drafting/editing taskers, spreadsheets, talking points, etc.

Virtual help with event logistics and preparation

Updating USAID C-TIP marketing materials

Other tasks as they come up throughout the year

The ideal VSFS Intern candidate will have a demonstrated interest in development and C-TIP programming, experience with research and data visualization, professional flexibility, and a self-motivated work ethic.
